

## Return of the Traveller

Dr. Subhash C. Biswas

*I have seen many people and made many friends,  
I have travelled through the world to all its ends,  
I have crossed many oceans and overcome many frights,  
I have flown through the sky and seen heavenly lights,  
I have climbed many mountains  
And dashed through ice and snow,  
I have seen many colours that shine and glow,  
I have wandered for ages and seen many wonders,  
I have dreamed many dreams of roaming among the stars.  
Beauty and joy fill the world over,  
But nothing feels better than coming back to you, Mother.*
